"Howdy, Bill."

Dr. Cook is now inflicted on the Berunda islands by a vigilant newspaper. agent?

grows, the more he looks like Joseph H. Choate, so they tell us. Getting classy, ch, Honey?

The novel situation of a father trying a case before a court in which his son possible alogan for Montpelier, "DeBoer for speaker." The whole state will succeed and adopt the slogan if Joseph Desupreme court; but the son, Judge Boer will scrept the honor. We need George M. Powers, very discreetly with men like him in the next legislature. drew from the case.

trials, the public is getting confused, are orgently demanded by the people But let the public remember that Auld was assumed mostly with lambasting a "married flirter," while Alkis is charged erless to accomplish much.—Vergennes with taking a bribe. A difference, isn't Enterprise and Vermonter.

Frederick G. Fleetwood's gubernatorial platform, as printed to-day, starts as if the Morrisville gentleman were about mum charge for political advertising. to wander through a maze of meaning- both display and reading matter, and, less words, the start being fully as vague as we understand it, agreed to make as the platform of John A. Mand; but it such charge for all political announce continues and ends with some positive. This, of course does not are better assertions.

The Rutland News is inclined to doubt the dispatch in one of its Vermont contemporaries, which, in announcing the man seeks a certain office and wishes death of a Montpolier woman, stated, the people to know his qualifications prepare such a revision. The governor "She is survived by four husbands." In therefor, he tells them in the newspapers appointed Clarke C. Fitts of Brattle-in columns marked political advertising boro, C. D. Watson of St. Albans and and pays openly therefor in cash. It in Vermont, we think The News must be is a straight husiness proposition, heart mission. The next general assembly is justified in its doubt,

in the quarrying world is indicated by the country and has worked well in Dr. Mead's platform are extremely in the country and has worked well in Massachusetts, New York and elsewhere. The marble workers union of America may be transferred shortly to Rutland. The working of the new direct primary law, it assume that it will make a the duarry law, it assumes that it will make a primary law, it assumes that it will make a primary law, it assumes that it will make a man who expects to be governor may I naturally got it workers' international association of limity as this and the weekly publish-North America is located in Vermont, ers have done well to take early action at Barre; while the largest single union in the matter,-Concord, N. H., Mentof the granite cutters' international as- tor. sociation is the Barre branch, with many smaller branches in the outlying terriin the two former cases is recognized do business in Vermont, is a shocking ing public franchises, reform in repre-officially as the principal point of the tory. Thus it will be seen that Vermont marble and quarrying industries,

day, when colleges and universities are state - [Rutland Herald.] tions to his university?

In Rutland county overlooked a single the law permits stock to be paid for in did and business like way of announce newspaper in placing their advertising matter to further the interests of John Abner Mead, it has slipped our notice.

The "drawatic life history" of the store the stock or at what valuation is possessed of gobernatorial at-The "dramatic life history" of the afore. tion. it becomes nauseating to the editor who governor to appoint a commission to reads all the exchanges, as constant repe. tition of stories would pall upon any reader; but to the subscriber of the single newspapers it is new, fresh and erisp, because he sees it generally only once, then to throw it aside permanently, or, perhaps, to revert to as the tide of the campaign becomes more strenu-

But we did not intend to either criticiae or commend the Mead managers in this article, but referred to that advertising broadside to find out if the Vermont publishers have taken the same pains to protect their interests in this matter that the New Hampshire Weekly Publishers' association has done, This association in the neighboring state is facing a comparatively new problem in this matter of political advertising, and the members got together and decided to charge hereafter for the "booming" of individual candidacies, irrespective, of course, of the editorial opinions or comments, which were not to be trafficked in. Mereover, they decided upon a minimum scale of charges for political advertising and agreed to make such

THE BARRE DAILY TIMES charges for all political announcements. To the Concord Monitor that appears much better than the "serutch my back" policy, which has obtained in New Hamp-Entered at the post office at Burre as shire herstofore. It is, indeed, good to see that New Hampshire publishers have Issued their declaration of Independence some lengths of verbiage in behalf of ertain persons, to the exclusion of other matter and to the financial loss of the Sarre Daily Times for the week ending publishers. If a fair rate of advertising is charged against such mafter as chall appear in the advertising columns of the newspapers, the publishers will simply protect their interests, while keeping out much disagreeable matter, for campaigns in Vermont and New Hampshire are apt to be placed in the hands of responsible Theodore Rossevelt to visit Emperor Persons, who will be careful of the kind William of Germany. "Hello, Tesley," of advertising that is put out. Vermont newspapers have been publishing paid political advertising for some time, but they have not, so far as we have learned, reached that stage schereby a minimum Or is it the effort of the Bermudas' press rate was charged by the weekly newspapers, as their contemporaries in New Hampshire have done.
